# FOAM BOARD

ComLite
GRAPHICS DISPLAY SYSTEMS

Each board has a self adhesive vinyl mounted on to the surface of the foam core and can be supplied with various fixings, hanging hooks, magnetic/ adhesive buttons, struts and hanging wire.

FEATURES & BENEFITS:

- Graphic is printed on high quality vinyl
- Simple, lightweight design - no tools assembly
- Solid board layer provides excellent strength and stability
- Suitable for internal shop signage, display cards and enhancing photos
- Can be single or double sided
- Foam core makes for relatively light weight temporary signage
